

src/SavableItem.h

```
graph TD; A[src/SavableItem.h] --> B[stdexcept]; A --> C[string];
```

A diagram illustrating the dependencies of the file `src/SavableItem.h`. The file is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box is labeled `stdexcept` and the right box is labeled `string`. This indicates that `src/SavableItem.h` includes or depends on both `stdexcept` and `string`.

stdexcept

string
